Everyone should visit Hadrian's Wall at least once in their life. A renowned World Heritage Site, it is the most important structure built by the Romans in Britain and the best known frontier in the Roman Empire. With us you benefit from a truly unique experience - the small group size ensures a leisurely and friendly environment and you can also handle artefacts of the period and bring history to life with our guide!

### Highlights Included in Your Tour

**Housesteads** is the most complete Roman fort in Britain set on the dramatic windswept cliffs of the High Wall and home to a cosmopolitan mix of soldiers from all over the Roman Empire. We will walk west in the footsteps of Roman legionaries to explore turrets and milecastles.

**Vindolanda**, home of the famous Vindolanda letters that offer such insight into life on the Wall. Set in a beautiful valley, we not only see the excavated evidence of a succession

of forts, but the extraordinary range of finds that have come from their waterlogged soils.

**Chesters Fort**, set in a stunning location on the banks of the River Tyne, the cavalry fort of Chesters straddles the Wall and, as well as a unique collection of Roman sculptures and architectural remains, has the best preserved baths of any fort.

**Roman Museum**, a museum to really grip the imagination! With its excavated treasures and replicas it will transport you back into the land of the legionnaires!
